Dear Leader Camper,

Due to actions taken by members of the Democratic Caucus during the Second Extraordinary Session of the 114th General Assembly aimed at disrupting the democratic and legislative processes and creating disorder on the House Floor, including, but not limited to:

- Interlocking arms in the well of the House;
- Blocking aisles on the House Floor;
- Instigating and encouraging disruptions of the legislative process in coordination with paid protestors and attendees in the gallery, including the distribution of earplugs to a member of your caucus;
- The use of prohibited props and noisemakers on the House Floor;
- Demonstrating a lack of respect toward fellow members seeking recognition to speak on legislation; and
- Flagrant disregard for the Permanent Rules of Order of the House;

Members of the Democratic Caucus will receive individual letters removing them from all standing committees and subcommittees of the House, except where membership is required pursuant to Rule 65 of the House Rules.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Sexton".
